# ACKNOWLEDGMENTS

I want to thank my Navarro College friends for their support and caring during the writing of this book. Thank you to my wonderful and brilliant editor, Michael Kelley, who helped make this book a useful resource for my fellow librarians, and to Charles Harmon, Director of Publishing, for all of his help. Thanks also to Miguel Figueroa and everyone else at Neal-Schuman.

This book is the proof that we as librarians share our hard work and wisdom with each other. Without the cooperation of the following libraries this book would not exist. My greatest thanks go to these libraries. Thank you for sharing.
