#### V. Old Business

#### VI. New Business

- Special Allocations Request from Peter Nyitrai for Bowling Nights. The senate executive board would like to have bowling nights for students by cutting the costs for bowling from \$2.75 a game to \$1.50. The executive board would pay the rest of the cost and would be a monthly bill like the Hornell Area Transit. Initial Budget request is for \$175 for trial run for the rest of the semester. The allocation was voted on and failed to pass.
- Special Allocation Request from Ian Cramer for Bike Lending Program. A lot of questions were asked concerning the budget, the supplies being bought, the cost of the biking card, which most want to be free, the unreliability of the survey results, and the future leadership of the program. The request was for \$9,992 and was passed.
