## IV. Officer Reports

• Diversity Director, Matthew Brown:

Office Hours: Thursdays 3:30–4:30 PM

The word 'nigger' was written on a door in Openhym and behavior like this will not be tolerated. The bias committee would like residents of Openhym to put a sign in their window to support a movement to stop language similar to this. Please come to Openhym on Friday from 12:30–2:00 PM to throw paint balloons at the door to cover up the word and show some color in life.

#### V. Old Business – none

#### VI. New Business

- Special Allocations Request from AIGA. They are requesting \$825 for registration fees to attend an event in Atlanta in July. The cost covers 5 people to go to the event and if anyone else would like to go to the event you can. This is an unforeseen expense due to the club just finding out about this. This will be in the clubs budget to go to the event next year. The allocation was voted on and passed.
- Special allocations from Baja Club. They are asking for \$939.39 for spare parts for the dune buggy car. The car was shown during hot dog day. The car is being used for a racing event in Wisconsin from June 11th to the 14th. This is a good event for Alfred to get their name into the mix with other schools. This is also an unforeseen cost for the club, which is part of ASME. The motion was voted on and passed
- Special Allocation from Kevin Kostyk for the AU Lounge. The Lounge will be in the space will AUTV is. The lounge will have a couch, a 46 inch LCD TV, 4 computers with a printer, 2 ping pong table, an industrial size air hockey table, a foosball table, two larger video games Area 51 (first person shooter) and (Teenage Mutant Ninja Turtles Pinball), and a pool table. Total allocation request is for \$6490. Questions were raised about security measure and safety of the room. There will be a camera installed for the person working at the help desk to watch to the room to make sure nothing gets stolen or vandalized. To get the pool sticks, ping pong balls or any other equipment, students will go to the info desk to get it. If the room becomes a success, more games will be bought if people want particular ones. The allocation was voted on and passed.
- All the clubs budgets for the 2009–2010 academic year were presented to the senate body. One question was raised about SAB's budget since they did not have to attend the budget hearing. SAB was taken out of the Budget hearing because they were given 45% of the budget before the hearing. Kathy Woughter explained that this would only be a temporary plan for one year. She would like to form a committee to look into how other senates at other schools spend their budgets on and how it is allocated to clubs. The 45% for SAB was an average between the 42–49% they were given over the past years. SAB will have to follow strict guidelines with this new budget and will be required to spend a certain amount in each area. The budgets were voted on and passed. If anyone else has questions about SAB's budget for next year, please contact Kathy Woughter.

## VII. Open Forum

• If a club does not hand in their senate handbook, what is going to happen? How are they being recorded? Can we bring them to the office later?

#### VIII. Announcements

The students that traveled to Mexico have been cleared from the flu since the incubation time is one week and they returned on April 19th. If you have any other questions, please contact Norm Pollard.
- The AU and Alfred State dance teams are hosting a dance this Friday at 7 PM in the Orvis Activity Room on Alfred State Campus. The event is being held to raise money for a family with a very sick child that needs medical care. The child has a rare disease and it is deadly. He needs treatment and the two nearest locations are Boston and North Carolina. The treatment is expensive and we would like to help this family out. All donations are accepted. To attend the show, it is \$2.00 and to go the after party it is \$3.00. For more information please contact Sasha at scs1@alfred.edu. Please attend because it is for a good cause.
